Ora Knight Of Allerton, Dies

Allerton, Jan. 31.—Ora Knight died at the home of his sister, Mrs. Hal O'Brien, San Diego, Cal., at 3:20 o'clock Sunday afternoon of heart disease.

Funeral services will be held some time Saturday at the Christian church at Sidell. Interment will be made in Sterns cemetery near Fithian.

He is survived by his widow and six children.

Ora Knight was born December 12, 1877 in Potomac, and came to this place in March, 1921. For the past 18 months he has been in failing health, but not until this fall did he realize that anything serious was ailing him. In December he went to Mayo brothers at Rochester, Minn., where he received but little hope of ever being strong again. On New Year's day he started to California where he steadily failed. He was 51 years old at the time of his death.

Entertained G. T. Club

Mesdames Jessie Bergfield and Ione Allen entertained the members of the G. T. club at the home of the former on Thursday afternoon, Jan. 26th.

A pleasant social time was enjoyed. Prize winners in contests were Mrs. Esther Hamilton and Mrs. Ione Allen.

Refreshments consisted of pork sandwiches, nut bread sandwiches, cake and coffee.

Those present were Mesdames Pearl Edens, Leona Bergfield, Ruth Henson, Myrtle Boyd, Elsie Walker, Betty Dicks, Edith Snow, Minnie Anderson, Delia Nohren, Marie Swick, Edna Dicks, Jennie Nohren, Freda Maxwell, Bertha Cook, Lillie Bowman, Tillie Schumacher, Ione Allen, Jessie Bergfield, Esther Hamilton and Maude Moore.

Your attention is called to Mrs. A. H. Shute's millinery ad in this issue.

The Arthur Graphic says land prices have taken an upward trend over there. One farm of 160 acres sold for \$235 and a 40-acre farm over there recently sold for \$295 an acre.

Mark Moore At Auto Show

Mark Moore, local Oakland-Pontiac dealer returned from Chicago, Wednesday, where he attended a dealer meeting conducted by executives of the Oakland Motor Car Company who outlined plans for the greatest year in the company's history.

The group of factory officials was headed by W. R. Tracy, who stated that tentative plans of the company call for the sale of 270,000 Oakland and Pontiac Sixes during 1928 against a total of 191,000 in 1927.

The Oakland Motor Car Company jumped from ninth place in total sales during 1926 to fifth place last year, said Mr. Moore. A tremendous plant expansion providing larger manufacturing facilities for both the Pontiac Six and the Oakland All-American Six, coupled with an equally great increase in the size of the Oakland-Pontiac dealer organization have combined to place the company in a position where it expects to gain an even higher rating during 1928. The company soon will have a nine-hour production capacity of 1,250 Pontiacs and 720 Oakland. It has doubled its factory floor space and tripled its plant investment in about two years and now carries the largest payroll in Oakland history.

It is this increasing volume that has enabled the company to offer so much more car in the New Series Pontiac Six at no advance in price.

The meeting, one of 33 similar programs which two groups of factory executives are conducting throughout the United States, consisted of an afternoon business session followed by a banquet in the evening.

Prominent Farmer Makes Suggestion

One of our prominent farmers has suggested to the editor of this paper that we conduct a Farmer's Column in The News each week. The column would contain news of the doings of our farmers and would be of considerable interest to them, he thinks.

We believe the suggestion is a good one, and will run the first column in next week's issue.

The success of this department will depend largely upon the cooperation we receive from the farmers.

Mr. Farmer: If you have purchased some blooded stock or sold some, or made any improvements on your farm, such items would make good material for this column, and we certainly will appreciate it if you will send them to this office.

O. E. S. School Of Instruction

Broadlands Chapter, No. 416, will hold a school of instruction at the Masonic Hall, on Tuesday Feb. 7th, both afternoon and evening. A covered dish luncheon at 6:30.

Oscar Frick was given a birthday dinner, on Wednesday of last week, at the home of his parents in Broadlands. Those present were Mr. and Mrs. Elmer Frick, son, Donald, Miss Jewel Craig, Mr. and Mrs. Frank Frick and son.

Supervisor Fred Messman motored to Urbana yesterday to help elect a new sheriff.

Mrs. Hedges of Allerton Dies

Mrs. Philora Hedges of Allerton died at the home of her daughter, Mrs. Lottie Clester, in Allerton, last Tuesday morning at 6:45 o'clock. She had been suffering from heart trouble, aggravated by a month's illness of flu. She was 80 years, 4 months and 3 days old.

The deceased was born at Greenup, Ky., and came to Allerton about 25 years ago. She was the widow of James A. Hedges who died about 6 years ago.

Surviving are the following children: Mrs. Lottie Clester and Mrs. Thomas Smith of Allerton; Mrs. Edward Ellis of Macy, Ind.; Mrs. Geo. Clifton of Menetta, Ia.; and one brother, Geo. Hedges of Gilmore City, Ia. There are also 21 grandchildren and two great grandchildren.

Funeral rites were held yesterday from the Allerton Presbyterian Church, of which the deceased was a member, with Rev. J. M. Beane officiating. Interment was made in the Fairfield cemetery, south of Broadlands.

Ladies Guild Party A Grand Success

The birthday party given by the Ladies' Guild at the M. E. church, on Thursday night of last week was a success financially as well as from a point of attendance. A splendid program was given after which refreshments were served. The ladies realized about \$50.00.

Urbana Police Chief May Be New Sheriff

Urbana, Ill., Feb. 1.—Within the same circles where a few days ago it was predicted that the widow of the late Sheriff George W. Davis would be appointed by the board of supervisors to fill his unexpired term, it is now being rumored that Chief of Police John Bruder has the best chance of the several persons who have been mentioned. The reason is, according to report, that supervisors who favored the appointment of Mrs. Davis have been set on all sides by constituents who are not in favor of having a woman sheriff and that Bruder has the strongest support since her reported elimination from the race.

Bruce Todd Delivers Bread With Broken Leg

Tuscola, Feb. 1.—A broken leg is not an uncommon occurrence, but when the victim of a broken leg pursues his day's work in spite of the injury, when the work means driving about 35 miles, delivering the goods and driving the return 35 miles or more, the determination and grit displayed are worthy of comment. Bruce Todd, driver of a bread truck for the Fullerton bakery started on his route, Monday, and when in Villa Grove, he stepped from the back of his car slipped on the icy pavement and fell, breaking his right leg just above the ankle. Not knowing the bone was broken, he got a man to drive for him and continued on his route. When he returned home in the evening, he was suffering considerably and went to a physician, who informed him that the leg was broken.

Entertains U. B. Ladies' Aid

The Ladies Aid of the U. B. church met with Mrs. Nola Donley on Wednesday afternoon. Mrs. Stella Phipps was assistant hostess.

A pleasant afternoon was spent and refreshments of brick ice cream, cake, and coffee were served.

Guests present were Mesdames R. L. Webber, Lillie Bowman, Bertha Cook and Miss Onida Phipps.

Members present were Mesdames Leona Bergfield, Zermah Witt, Marie Swick, Anna Lill, Pearl Edens, Jessie Bergfield, Huldah Seeds, Jennie Nohren, Mary Rayl, Allie Struck, Loucinda Clem, Betty McCormick, Thelma Clem, Belle Smith, Betty Dicks, Eva Brewer, Freda Maxwell, Nola Donley, Stella Phipps.

Allerton Infant Dies

Allerton, Ill., Feb. 1.—Phyllis Rosemary, the infant daughter of Mr. and Mrs. Everett Brown, died at 10 o'clock at the home. She had been ill since birth. Funeral services were held on Wednesday afternoon at the home with Rev. J. M. Bean, pastor of the Presbyterian church, officiating. Burial was in Fairfield cemetery. The mother formerly was Miss Betty Gouch, of Fairmount. The baby was born Monday.

Dee Is Indicted On Two Charges

Circumstantial evidence, it was reported last Friday, led the grand jury, to indict William Dee, patient at Lakeview hospital, on two charges, larceny and burglary.

Dee was found in an automobile at Covington about 3:30 in the morning, almost two weeks ago, suffering from gunshot wounds. He said hi-jackers had shot him.

About the same time it developed that George Milner, of Allerton, employee in Dicks' store had shot a bandit whom he surprised in the act of robbing the store safe. The bandit escaped.

Milner used a gun loaded with eight buckshot. Seven such shot were taken from Dee. Investigation revealed that Dee formerly had served time in Chester prison for larceny and was on parole at the time he was wounded. He is recovering.

Mud Hole Filled

That terrible mud hole near the depot which has been an eyesore to the village for a year or so, is no more, Mayor McCormick having had the same filled with cinders the past week. Charley informed the C. & E. I. Ry. Co. that the hole was partly theirs and agreed to fill the hole if they would furnish the cinders. Hurrah for our Mayor! And hurrah for the C. & E. I.

Lost or Strayed

A Methodist minister in a town in New York advertised in the local newspaper that "a large flock of Methodist sheep were lost, strayed or stolen." "They have been gone for sometime," the notice ran. "When last seen they were browsing along the road of indifference. Anyone finding these sheep please bring them home if possible." Closing with an announcement: "Plenty of fodder will be provided next Sunday."

An Honest Man

In 1905, a Chicago business man failed and liquidated his obligations by paying 27 cents on the dollar. The other day, although 63 years of age and sick in a hospital, he paid the other 73 cents on the dollar that he owed plus interest for twenty-two years, the total of his last payment and interest being approximately \$650,000. It is certainly refreshing to hear of such a man occasionally, and we hope that he has enough left to keep him in ease and comfort for the rest of his days.

Bankers Find 22 Per Cent Make Money

An analysis of 700 replies received on a questionnaire sent out to its members by the Illinois Banker's Association reveals that 35 per cent of their former customers are losing money, 43 per cent are breaking even, and only 22 per cent are making money. The bankers said that 53 per cent, or more than half, of the farms in their communities are operated by tenants. Fewer than four out of 10 children born on the farm are remaining to carry on the work of their parents. Farmers were criticised by bankers for owning high-priced autos, trucks, tractors, especially when purchased on deferred payment plans.

Voliva Sets Out To Prove World Is Flat

Chicago, Ill.—Wilbur Glenn Voliva, overseer of Zion City and head of the religious colony there, who long has maintained that the world is flat, last week set out to prove it. Mr. Voliva and his wife left for a four months vacation in Europe, expecting also to visit the holy land. He expects to travel to the edge of the world and then walk around the rim. "It will be just like going around the rim of a big plate," he said. His flat world theory is taught in Zion City schools.

Rockford is the largest city in northern Illinois to use well water for its public water supply.

My Project Story

With my agriculture course I decided to take swine as my project. I began with two brood sows one farrowing on October 27, having a litter of eight pigs and the other a week later having a litter of four. The first saved all of her pigs and the latter only two. The litters were each kept in a separate pen which was kept clean and dry. The sows were fed regularly and correctly from the start so that they would always be in a healthy condition and produce plenty of milk for the litter. The ration consisted of six ears of corn, one gallon of oats, 3 gallons of skimmed milk and a fourth of a pound of bran at each feeding for each sow after the first two weeks in which they were fed no corn. The pigs were growing fast and at the end of six weeks the litters were weaned and put in one pen. They were given a free ration which consisted of shelled corn, oats and a few beans, also milk and bran. There was a home made self-feeder before the litter at all times. In these two litters there were seven males and three females. They were growing very rapidly during these cold months. The litter of two were larger than the others because they received more milk before weaned. They were kept in the same pen until March when they were moved on a small patch of blue grass. One male hog was sold about this time to a neighbor for breeding purposes and one died having been ruptured, leaving only eight pigs in my two litters. They were still growing good and weighed about two hundred pounds at this time. I was still feeding them the same free ration all they could eat. On May 25, 1927, I sold seven of them, five barrows and two sows. I lost money on this project but I did not regret my time and work for I was very much benefited by my experience and learned many things about caring for hogs and I think the next time I will be able to make money.

Edward Schumacher.

Improved Uniform International

Sunday School Lesson(By REV. P. B. FITZWATER, D.D., Dean Moody Bible Institute of Chicago.)
(©, 1928, Western Newspaper Union.)**Lesson for February 5****JESUS MISUNDERSTOOD AND OPPOSED.**

LESSON TEXT—Mark 3:19-35; 6:1-6. GOLDEN TEXT—He came unto his own and his own received him not, but as many as received him to them gave he power to become the sons of God, even to them that believe on his name. PRIMARY TOPIC—Friends Misunderstand Jesus. JUNIOR TOPIC—Friends Misunderstand Jesus. INTERMEDIATE AND SENIOR TOPIC—Facing Unavoidable Opposition. YOUNG PEOPLE AND ADULT TOPIC—The Misunderstood Jesus.

1. Jesus Misunderstood by His Friends (3:19-21).
1. The occasion (v. 19, 20).
A series of important events in the ministry of Jesus had followed each other in rapid succession. The twelve had been chosen, and He with His disciples had just returned from a trip of preaching and healing in Galilee. Such great interest was aroused that though Jesus was weary and hungry He did not have time to eat.

2. What His friends purposed to do (v. 21). They went out to lay hold on Him. They saw Him giving Himself with absolute abandon to His work so they attempted to rescue Him forcibly by taking Him from His work.

3. What they said (v. 21). "He is beside himself." His passionate devotion to saving the lost seemed to them a kind of insanity.

II. Jesus Opposed by the Scribes (vv. 22-30).

1. Their charge (v. 22). They charged Him with casting out demons by Beelzebub. According to Matthew 12:22-24, the Pharisees joined the scribes in this charge. The occasion which provoked the charge was the healing of a man possessed with a demon. Unable to explain His unwearying service for needy men by attributing His zeal to religious frenzy, they accused Him of being in league with the devil.

2. Christ's reply (v. 23-27). He exposed their folly by a question and by parables.

(1) "How can Satan cast out Satan?" If after Satan gets control of a man he should voluntarily relinquish that hold he would thus become his own enemy. In view of the nature of the devil, this is unthinkable.

(2) "If a kingdom be divided against itself that kingdom cannot stand (v. 24). Civil war is national suicide. A living example of this folly is seen in China today.

(3) If a house be divided against itself, that house cannot stand (v. 25). House here means family. The family that wars against itself will surely perish.

(4) No man can enter into a strong man's house and spoil his goods except he first bind the strong man (v. 27). Satan here is the strong man, the house is the world, the goods of the house are the human beings whose welfare and happiness Satan is seeking to destroy.

3. Christ's charge (vv. 28-30). Since He was doing the works of God (for before their very eyes He had driven the demon from the man). He was undoing the works of the devil. He went about doing good. Wherever He went men were blessed. The eyes of the blind were opened, deaf ears were unstopped, the lame were made to walk and the dead were raised. Having with unanswerable logic met their accusations He charged home upon them most awful guilt, that of blasphemy against the Holy Ghost. Blasphemy against the Holy Ghost is attributing the works of the Spirit to the devil. For this great sin there is no pardon.

III. Jesus Misunderstood by His Family (vv. 31-35).

His brothers and mother came with the object of getting Him home because they thought He had lost His reason. Of course His brothers did not believe on Him as the Messiah, but their filial interest moved them to try to get Him home. No doubt this was most painful to Jesus, their motive may have been right, but they were used of the devil to hinder Him.

IV. Jesus Misunderstood by His Fellow Townsmen (6:1-6).

The citizens of Nazareth were unable to question the reality of Christ's work and the power of His words, but because He was one of them they were offended at Him. This is a marvelous example of the blighting effects of prejudice. Because of this attitude of soul on the part of the people His wonder working was very limited among them. And He marveled because of their unbelief.

Vanity

Vanity of vanities saith the preacher; all is vanity. And moreover, because the preacher was wise, he still taught the people knowledge; yea, he gave good heed, and sought out, and set in order many proverbs.—Ecclesiastes 12:8-9.

Life

Life is not a man's personal property, it is a loan from the Almighty for which he is responsible.—F. B. Meyer.

Gas Tax Return Will Net Local County \$90,908

Credited with one dollar of the state gasoline tax for every five paid into the state treasury in auto license fees, Champaign county may receive \$90,908.80 for the annual return.

This figure ranks the county sixteenth in the list of the 101 counties. Whether or not such a return will be made depends on whether the Illinois supreme court will hold the gas tax law valid.

The return is based on the number of motor cars licensed in the county and the amount of money collected during the five months the gas tax has been effective. Of the entire sum, 38.95 per cent will go to Cook county alone, the remainder being for distribution in the rest of the counties.

Fire In Pants of Porter Start Memphis Blaze

Memphis, Tenn., Jan. 27.—A negro porter's trousers caught fire here yesterday and caused damage estimated at \$3,500.

William M. Hulsey, a member of the Hulsey-White Cotton company, was preparing to leave the office for the day, and the porter brushed his clothes. The negro was standing with his back to a stove, a spark from which is believed to have nestled in his trousers. Unaware that he was on fire, he walked into the sample room and standing near a pile of samples, set them ablaze before he discovered his own condition. The trousers were only slightly damaged.
