Vol. 19 — No. 30 | Georgetown, Vermilion County, Illinois | Friday, May 6, 1949

Inauguration night at the City Hall Tuesday night saw many of our local celebrities on hand, or standing outside looking in.

Don't forget Mother's Day, Sunday.

Martin Kovanic, Westville city treasurer, has an interesting financial report in this issue. Read it over. It shows a neat balance in the treasury.

DST Musings

"It may be later than you think!"
Is what came from a drop of ink
And a sage's pen of long ago;
That too, you learned on Sunday morn.
When Daylight Saving Time was born
In alike, upon friend and foe.

Now that you have moved up your clock,
You've got yourself an hour in hock;
How foolish can these mortals be?
For five months, it's in the rack;
In late summer, you'll get it back;
Time! Have mercy on such as we.
—E. P.

A person who gets in the public eye may still be, like the grapefruit, just a little squirt, observed Ez Pash as he reluctantly set his Waterbury an hour ahead.

"What a break for the Sun!" noted Zadoc Dumkoph, as he pointed out that old Sol now gets up an hour later.

My Aunt Minerva went Sunday,
To see the opening game—
She thought the way
They carried on
Was just a cryin' shame;
She said it wuz disgraceful when
A feller stole a base
An' later when the fans wuz simply
Tearin' up the place,
She wuz sure plumb disgusted,
When she finally found out why:
"Imagine grown men fussin' so
About a little fly!"
—Ezra

Fresh, home-grown onions and radishes are the order of the day, and onion fragrance filters through in many a street corner conversation and bit of banter.

The local gendarmes are on the lookout for loud mufflers, and particularly the absence of a muffler on your car or motorcycle.

The folks are doing some griping about the May heat wave, notwithstanding the fact that this is excellent growing weather and also that we have not been visited by hurricanes, blizzards and floods. Let's be satisfied—and thankful!

We have been getting a number of unsigned letters for this and other columns recently. Gentle reader, give your name if you want your letter to appear; otherwise it will go where it belongs—in the waste basket.

Our Clean Story Club—A motorist slowed down in a nearby city and asked the traffic policeman: "Is it all right for me to park here for a while?"

"No, it ain't," was the snappy reply. "You keep goin' or you'll get a ticket."

"Well, what about those cars parked over there?" asked the motorist.

"They didn't ask me," came back the copper.

Moyer Is Named To Chairmanship Of County Board

Vote Is Broken Wins After Tie

William Moyer, who has served on the Vermilion County Board of Supervisors as supervisor for Georgetown twnship for a period of 25 years, was elected chairman of the county board at a meeting last Friday. He was elected on a 20-18 vote over Clifford Shields on the second ballot, the first ballot resulting in a 19-19 tie with Mr. Shields.

The meeting was held after Mr. Shields had been elected chairman at a meeting held April 21 by a 20-18 vote on the second ballot, after the first count had ended in a 19-19 tie with Mr. Moyer. The April 21 meeting was found to be illegal, however, because a recent state law makes newly elected supervisors ineligible to take office until 20 days after election.

In a talk after his election to the chairmanship, Mr. Moyer Friday paid tribute to Mr. Shields, saying, "Any man who can tie me twice and beat me once is a good man."

Ray Cook of Danville was made chairman of the committee on committees, which recommends members of the board to be on standing committees. Others on the committee are Tom Carson and Albert Linne, Danville; J. W. Bell, Love township; and Richard Lanham, South Ross township.

Junior Legionnaires To Play Georgetown

The Westville Junior American Legion team won a 9-0 baseball game from the Georgetown Junior Legionnaires Sunday afternoon, May 1, on the brand new diamond in Westville City Park.

The game was a 5-inning event, as Westville had another game scheduled with Humrick the same afternoon. The second game was well under way with three innings played when the downpour of rain brought about a mad scramble to get to the cars, and in the confusion the score card was lost, which accounts for the lack of a box score at this time.

Georgetown and Westville will clash next Sunday afternoon, beginning at 2 o'clock. All members of the local team are asked to be at "Hap's" Barber Shop at 1 p.m., where transportation will be available.

Lion-ettes

By R. O. A. R.

The Westville Lions, unable to defeat the Georgetown Lions in donkey basketball and scru-ball basketball, turned their efforts to bowling against the Danville Lions recently and turned in an overwhelming victory in two out of three games.

The Lions of Westville, composed of Joe Foyer, Charles Urban, Steve Sibons, Frank Libert and Capt. Joe Ottino, with a team average of 172 per man, rolled a series of 2617 against the Danville series of 2466. The Westville Lions averaged 882 per game. Ottino, who carries an average of 163 for the Westville Lions, rolled a series of 576 to pace his team, with 232,177 and 167. Joe Foyer, a fellow teammate, with games of 187,178 and 190, was second high with 555.

Another match game will be held Sunday evening, May 8, at the bowling Ball, at which time Capt. Andy Nimmer of the Danville Lions will swear avengence.

A discussion is being held around concerning organization of a Lions Club bowling tournament next year, with teams from Westville, Danville Georgetown, Hoopeston and Catlin already listed as sure teams to be entered.

Georgetown Lions are rolling along with their Youth Center program and Chairman "Red" Stephenson is getting some timely assistance with the project. An additional $500 was recently obtained toward the project. The Georgetown Lions are to be complimented on this project, as the youth are the ones to be looked after to provide our future citizens to carry out our government functions.

Incidentally, the Westville Lions library building project is another one worthy of mention. Plans are now in the making for the project to get under way despite the fact that the fund-raising drive for this project has not been completed.

Lions throughout the county were given the responsibility of helping the Cancer fund drive by Harold Hensold, Vermilion county chairman. Hensold approached every Lions Club in the county and is getting their assistance in this project, with individual clubs appointing members to lead the drives in their respective communities. Westville Lions appointed Steve Sibons, who is now in the midst of closing a successful drive in the project.

Lions Clubs will sponsor teams in the Vermilion County Kid Ball and Bat club league this summer again. Westville, Catlin and Georgetown were the lone sponsors last year and will be joined this year by Tilton, and probably Hoopeston.

Maryann Dukes, daughter of Mr. and Mrs. R. F. Dukes, Georgetown, represented the Georgetown Lions in the District 1-E beauty contest at Mattoon last week and lost by a narrow margin to a Miss from Tolono. Incidentally, the rules laid down did not indicate a beauty queen being selected, but more or less a popularity queen. Those who attended the meeting were of this opinion, for Maryann seemed to be the beauty of the four contestants.

Plans are being made by Vermilion county Lions to attend the Lions state convention at the Congress Hotel in Chicago May 15, 16 and 17. Lions George Binkley and Joe Ottino of Georgetown and Westville are district officials and will attend all three sessions.

A chartered bus is being secured so that clubs can attend in full the sessions held on Monday, May 16. The bus will pick up Lions at Ridgefarm, Georgetown, Westville, Tilton and Hoopeston early enough in the morning to enroll for the final session and leave after the closing session that evening. Plans are now being worked out by Zone Chairman Ottino. Clubs who wish to take part in this program are urged to have their officers contact Ottino not later than May 9 to make final arrangements.

Hoopeston Lions have their own hall and sponsor weekly dances for the youth of their community. The Hoopeston Lions, with Evar Olson as president and Bob Pittman as secretary, rank as one of the most successful clubs in the district and state. They carry a large membership, which attends their meetings very regularly.

Always an active Lions Club is Ridgefarm with the old veteran of Lions, and a former cabinet secretary of District 1-E, Don Brewer, keeping the club going from his secretarial duties along with Prexy Brown.

Tilton, which became a new Lions Club last fall and sponsored by Westville Lions, is already listed as doing well. The club purchased street signs for their village and members did the laboring work last week in placing the signs.

Congregational Church Notes

Rev. C. R. Dierlamm, Minister

The church is made up of people who take a special interest in what the church can do for them. It is a legitimate desire to have this exchange of good for good expended.

Sometimes a sermon with the accompanying songs impress some folks more than they do others. It all depends what lies down in the subconscious mind of the hearer. It all depends on what preconceived ideas have been stored up in the reservoir of the mind. The reason we like to get children in their tender years is that we have first chance to store up first principles of Christianity. "Get them when they are young and we will have them pretty well the rest of their lives." Mr. Chris Shaw, the superintendent of the Sunday School, with a good array of teachers, record the fact of around 150 scholars attending each Sunday. This church faces a fine future.

You have a new experience in farming waiting for you with rear-engine tractor power. Without obligation, we'll be glad to let you try out the Allis-Chalmers Model G on your own farm. Simply get in touch with us, and the Allis-Chalmers Mobile Demonstrator will visit your farm.

Get on the front seat of this rear-engine tractor yourself. Try straight-ahead vision—see how much easier it is. You operate the tractor; put it to the test in your own fields.

You'll hardly believe your eyes when you see what a man-sized small tractor can do. Weight of engine in the rear adds a surprising amount of traction and extra drawbar power.

Just phone or paste the coupon (below) on a post card and mail to us.

ILLINOIS POWER COMPANY

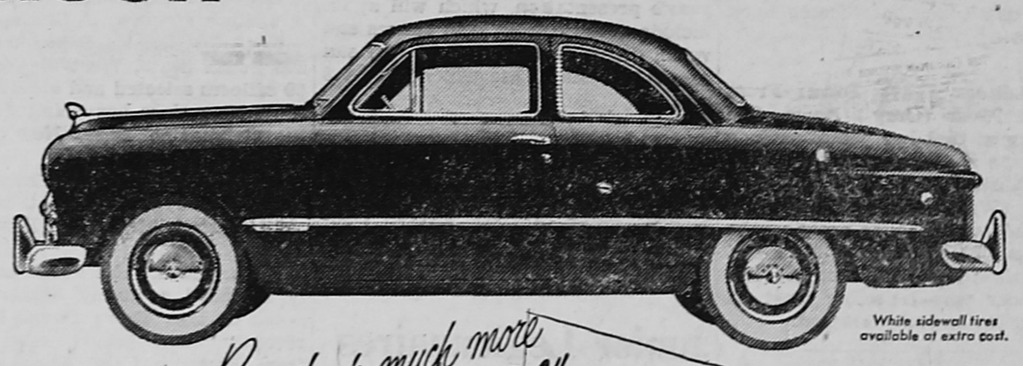

The Ford overdrive pays for itself

In the long run its flashing performance doesn't cost you a cent!

The new Ford Overdrive is an optional extra which reduces your engine speed 30% while car speed remains unchanged. It saves you up to 15% in gas plus the savings in oil, engine life and repairs.

Controlled by the touch of your toe, it gives you a quieter, smoother, more relaxing "4th gear" ride. You'll like it for passing in a flash and effortless travel on the road.

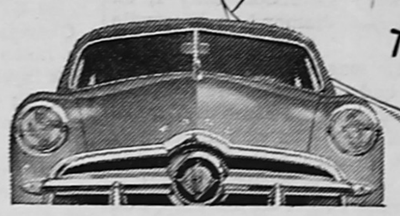

White sidewall tires available at extra cost.

But there's much more to the new Ford "Feel"

Feel new "Hydra-Coil" Springs float you over bumps. Feel that new "Mid Ship" Ride. Feel Ford "Magic Action" Brakes. Try a Ford and you'll order a Ford now.

Take the wheel . . . try the "Feel" at your FORD DEALER'S

There's a NEW Ford in your future

Two Georgetown Taverns Sold; Partnership Dissolved

Two business deals have been closed in Georgetown, effective as of May 1, according to announcement just made.

Armor L. Reed sold the West Side Tavern in the Holstine building on W. West St. last week, effective as of Monday, to Roscoe R. (Rocky) Knight, young business man and veteran of World War II. Mr. Reed, who with the late L. J. Hedges, purchased the business in January, 1947, from William E. Holstine, will look after his farming and other interests.

John Dalide, junior partner in the firm of Holstine & Dalide, which purchased the Oasis Tavern on S. Main St., just south of the Public Square, from Herbert E. Parks on January 9, 1947, has acquired the interest of Mr. Holstine. The latter will be engaged in his other business interests. Mr. Dalide is a former coal miner, having worked in the old Peabody mine for a number of years.

Moyer 30 Years As Police Chief

Franklin Is Named; Council Presents Gift

At a meeting of Westville city council last Saturday night, Mayor Charles Byron presented the name of Joe Franklin, night captain of police, as chief of police of Westville, as a result of the election of William Moyer, who has been police chief for 30 years, to the chairmanship of the County Board of Supervisors.

Mayor Byron told the council that Mr. Moyer had not made himself available as a candidate for re-appointment because of his increased duties with the county board.

The council and Mayor Byron extended a vote of appreciation to Mr. Moyer and presented him with a gift. Mr. Moyer served as chief during Westville's early and picturesque days as a growing village and is known and remembered by three generations of citizens.

Frank Konsis Jr. was named night captain of police to take the place of Capt. Franklin. Konsis is a veteran of World War II, having served in the Marines. Mr. Moyer will assist the new night captain in his duties for the next few weeks.

Special officers appointed by the mayor and confirmed by council are John Stanis and Thomas Ferraro. Gus Lesko was re-appointed chief of the Westville Fire Department.
